## **on Crown Point**

### **At San Diego Bayfair**

**September 16, 17, 18 2022      Mission Bay**

After making its debut in 2019, the **Hydro Games** will return to Crown Point at San Diego Bayfair.

Competitors will participate in what organizers call the most progressive, modern, multi-platform extreme sports event of its kind.

**Hydro Games** will consist of Jet boards, Jet Packs, Jet bikes, E-foils, Jet skis, Sea Breachers, LED night shows and Onewheel skateboard demonstrations on land. There will be some highly entertaining events such as jousting, tug-o-war, e-foil racing, jet ski racing and more.

This year, on **Crown Point**, there will be lots of fun activities in addition to the **Hydro Games**. There will be shopping, food vendors, a BBQ competition, a motorcycle show, a car show, Craft Beer beer garden, celebrities and so much more!

Hydro Games are the only extreme water sports sanctioned event in the United States and draws some of the worlds best professional and international riders.

**Hydro Games** is an *Event* within an *Event* set in **San Diego Bayfair**. Bayfair is a unique family experience on Mission Bay. Party and camp with friends and family for three days on San Diego's sparkling Mission Bay. Combined with high-speed boat racing, spectacular beach weather and off-water entertainment, it's an unforgettable highlight of summer.

**San Diego Bayfair is "The World Series of Power Boat Racing"**
