

June 2019

Dear Friends,

HomeStreet Bank presents San Diego Bayfair is right around the corner! This September 13<sup>th</sup> – 15<sup>th</sup>, 2019 Bayfair takes over Mission Bay Park for a weekend with friends and family, fast boats and great entertainment.

As in past years, we expect to have the H1 Unlimited Hydroplane Series, Grand Prix West piston boats and smaller boat classes to participate at the 55th San Diego Bayfair.

H1 Unlimited's final race of the 2019 season is in San Diego this year, so the competition promises to be fierce as the teams look to capture the national championship. The smaller boat-racing classes are competing once again in front of East Vacation Island/Ski Beach and some racing action in front of Fiesta Island.

Bayfair features, delicious food offerings and expanded beer gardens with the best race views, and plenty for the kids too. Returning to Crown Point is the "America's Finest BBQ State Championship" competition on Saturday. This event will require a separate admission fee, and the opportunity to sample some of the best barbecue in the world, watch for updates on this event at our website listed below!

As always, RVers get five days and four nights on Mission Bay. Spots are available on Crown Point, Ski Beach, and Fiesta Island. Those who stayed with us in 2018 have the first right of refusal to their RV spot/spots, provided you finalize the reservation and we receive the appropriate payment and all required forms by July 12, 2019. After that time, we'll open up sales of specific spots to our waiting list.

We encourage you to visit [www.sandiegobayfair.org](http://www.sandiegobayfair.org) or follow us on Facebook, Instagram and Twitter to find out the latest plans about this year's event.

Thank you for your continued support of San Diego Bayfair and we look forward to a weekend of family fun and racing.
