**East Vacation Island: FOR EVI II:** Car passes included in RV packets will easily identify which cars are allowed in the concrete spaces of the corporate and VIP parking area. **FOR ALL OTHER RV EVI AREAS:** If you purchased additional car passes, you will receive a "Car" parking pass for WVI, the concrete area in front of Paradise Point Resort (look for the E-Z Up tent). Parking is on a first-come, first-served basis so a specific space is not guaranteed. (No car/truck parking on the grass.) Area B parking passes are available for anyone to purchase at the regular rate of \$150 **while supplies last.**

**Fiesta Island:** The area across the road along the fence is primarily for vendors and concessions and allows for some car parking. If you purchased a car pass for this area, remember parking is on a first-come, first-served basis, so a specific space is not guaranteed. These passes are not for parking on/or by your RV spot or to be used for loading/unloading.

**Crown Point Shores:** RVs will be parked on the grass. Cars (parking pass is required) can be parked in the north area of Crown Point, **if space is available.** No in and out privileges or space guarantees with daily parking passes. Only 3-day CP parking passes are allowed in and out privileges. Driving on the grass is **not allowed** (violators will be ticketed by the SDPD).

**Move In/Out Dates and Times:** Move in times for all areas is Thursday, September 12, 2019 after 12 p.m. **ALL RVs** must be out by 12 p.m., Monday, September 16, 2019. Vehicles remaining will be cited and towed at the owners expense.

**RV Guidelines:** In an effort to ensure everyone has a great time at this year's event, we ask that you and your guests read and observe the RV Guidelines. The individual responsible for the RV space(s) must **sign** and **return** the RV Guidelines along with this page. **We cannot send your RV package to you if we do not have signed copies on file.**

Please note: All RVs or Trucks and Trailers **MUST** fit within the confines of their spot. **NO** Exceptions. If your vehicle needs to move to a parking spot, a parking pass must be purchased.
